Volunteer Opportunities - Individual and Group

Individual On-going Opportunities (1 hour/week - minimum 3 months)

Homework Helper and Tutor

Volunteer by helping elementary age youth and/or teens with their homework. Tutoring provides a fun way to get to know some amazing kids while helping them reach their full potential. Many of our Clubs are looking for volunteers to help specifically with Math and Science homework. Times set by local Club.

Kid's Café

Volunteer serving snacks or dinner at our Kid's Café dinner program. This program provides meals to hundreds of youth who wouldn't otherwise receive dinner. Dinner is served at most Clubs from 4:30 pm to 6:00 pm Monday through Friday. This is a great project for individuals and small groups of volunteers.

Program Aide

We run a variety of programming all afternoon at each of our Clubs. As a volunteer you can help with these programs while working with staff members and developing relationships with youth.

Individual Multi-Week Opportunities (1 hour/week - minimum 4 weeks)

Activity Leader

Occasionally there are opportunities to share your passion for art, dance, sports, computers, (or whatever your talent may be) with our youth. Offering a variety of programming gives our youth an avenue to express themselves in a healthy way, and explore their talents and skills.

Some of our Clubs are interested specifically in: dance, yoga, art, sports, Zumba, painting, coding, drawing, Photoshop, guitar, martial arts, photography.
